

UTAH DEPARTMENT OF TRANSPORTATION
TRAFFIC OPERATIONS CENTER

ROAD CONDITIONS ALERTS

NO ALERTS AT THIS TIME

We will post similar messages on our toll-free Traveler Information Line:

or **1-866-511-8824** for calls placed outside of Utah.

Road Conditions Alerts are used to make travelers aware of current restrictions or severe driving conditions on UDOT highways.

We will post summary lists of major impacts to travel routes, and when possible, maps to aid in locating areas of concern.
